

Bingo Floor Worker's List

1. Arrive no later than 6:45 prior to the start of bingo games.
2. The main duty is to verify game winners
 - a. When a "bingo" is called, make sure that the bingo caller is aware, and stops the game.
 - b. Verify that the person played with the correct color of game card/sheet
 - c. Call out the numbers of the "winning" card/sheet so the caller can verify that the card is indeed a winner.
 - d. Bring the winning card to the cashier, obtain the winner's name for a check to be made out and bring the money to the winner.
3. Clear used up bingo cards and remove trash from tables.

Note: be careful to not throw away partially filled out bingo sheets – some players pre-stamp their "special" bingo games cards to help them during the special games.
4. Stay until the last bingo game is completed.
5. Help clean up the bingo hall after patrons have left – pick up trash, wipe down messy tables, recycle plastics and papers.
