

## Our Lady of The Lake School VOLUNTEER LIST—2015-16

Dear Parents,

OLL School is able to keep the cost of tuition so reasonable because of our wonderful support in our parish along with many fund raisers. We ask that you consider volunteering for some of the fundraisers and events for the school and if possible offer to help in the classrooms to defray the actual cost of your child's education (\$6500.00).

Please read over this list and put an X next to any you would like to help with.

**\*\*Please note:** According to Diocesan guidelines a background check must be done on all volunteers who are regularly involved with children. And volunteers must sign a morals and ethics agreement with the Diocese of Superior and attend the **BASE training every five years**. BASE training is offered in the fall and again in the winter. We will need volunteers to drive for most of the school field trips. All cars must have proper insurance and a driver form must be filed in the school office. All students riding must have a seat belt or 8 years old and under must be in a car seat.
