

Long Range Goals for 2015-16

1. The School will begin 9th grade in cooperation with Regis and McDonell Catholic High Schools. This will be a Blended grade in which students are supervised at OLL School while either attending courses through online learning via Skype at Regis or working through Regis' contracted software program, Odesseyware. Consecutive grades will be added each year until a total high school grades 9-12 are in place at OLL School.
2. To update the asbestos plan after abating the 8th grade classroom—completed summer 2015
3. To prepare for the sale of the Jr. High Building. To remove all items from the upper floor of the jr. high building. To sort and remove any old unused items from the 2nd floor of the gym.— completed summer 2015
4. To clean out the basement of the jr. high building in preparation for selling.
5. To replace all windows in the elementary building.—completed summer 2015
6. To complete the school Self Study. Areas of study will be assigned for each of the 10 standards and a self study team will begin in the fall of 2015.
7. To begin the 4 year Strategic Planning Process with the guidance of Catholic School Management Firm. The school will use Catholic Management Services to do a 4-year study of school improvement. This will be funded through a diocesan-wide grant.
8. To form a Strategic Planning team for year one of the Catholic School Management grant.
9. To develop a budget plan for replacing the computers in the school.
10. To develop a plan for the construct of a multi-purpose room to replace the present gym.
11. Prepare for implementation of School Choice voucher system in 2016-17.
12. To review and revise the Diocesan Curriculum of Music, PE and Art.
