Service Hours

Weekly Bingo at OLL is our biggest fundraiser for our school, it is very important to the school that we have enough volunteers, so things run efficiently. A yearly schedule will be developed in late August.

Please indicate any or all "yes" options to volunteer at bingo.

Yes, our family would love to volunteer to help at bingo, please put us on the schedule.

Yes, put our family on the sub list.

If a family has not fully paid the tuition amount for the current school year before June 30th, the family will not be able to re-enroll the student at Our Lady of the Lake until the balance has been paid in full. Unique and special circumstances for school families may be considered on a case-by-case basis and taken into consideration by the principal and the pastor.

The actual cost to educate one child at Our Lady of the Lake Catholic School is \$8300. The parishioners of OLL Church help support the cost per student as one of the primary missions of the church.

We at OLL School understand that all are suffering financially, socially and emotionally from the Pandemic. Our Education and Finance Councils have decided to keep the tuition and fee at last year's levels. We appreciate their effort to maintain costs at a reasonable level for our families who want to attend OLL School.

Those families that may be able to donate more towards their child's education can do so with a tax-deductible donation.
